PROFIT WARNING

This announcement is made by Juda International Holdings Limited (the “**Company**” and together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571, Laws of Hong Kong) (the “**SFO**”).

The board of directors of the Company (the “**Board**”) wishes to inform the shareholders of the Company and potential investors that based on the preliminary review of the unaudited management accounts of the Group for the six months ended 30 September 2014, the Group is expected to record a loss of over HK\$10 million as compared to the profit of approximately HK\$770,000 for the corresponding period in 2013. This was primarily attributable to a decline in gross profit margin for the six months ended 30 September 2014 as a result of an increase in the average purchase cost of the major raw materials purchased and a decrease in the average selling price of products sold by the Group, as compared to the corresponding period in 2013.

The information contained in this announcement is only based on the current preliminary assessment by the Company’s management according to the management accounts of the Group, which have not been reviewed nor audited by the Company’s auditors. Details of the unaudited interim results of the Group for the six months ended 30 September 2014 are expected to be announced on 14 November 2014.

Shareholders of the Company and potential investors are advised to exercise caution when dealing in the shares of the Company.
