The outlet shops will be held as investment properties for leasing to retailers offering branded merchandizes. The outlet shops are expected to start their businesses in late 2017.

LETTER FROM THE BOARD

The Consideration for acquiring the Land will be solely funded by the Group, using its internal resources.

Immediately upon the completion of the Acquisition, the Company will indirectly hold the entire interest in the Land.

IV. REASONS FOR AND BENEFITS OF THE ACQUISITION

As the Acquisition was conducted through a wholly-owned subsidiary of the Company and all requisite funds and costs in relation to the Acquisition will be borne by the Group, the Acquisition will be undertaken on a sole basis by the Group and the entire interest in the Land will be held by the Group immediately upon completion of the Acquisition.

The Group is principally engaged in commercial property development, with focus on the development of outlets-backed commercial integrated projects and commercial property projects in the selected target cities in the PRC where the Group is able to conduct its property business as disclosed in the circular of the Company dated 26 November 2014. The Board believes that the Acquisition provides an excellent investment opportunity for the Group to expand its business into Wuhan, one of the selected target cities in the PRC.

The Directors consider that the Acquisition is in the interests of the Company and the Shareholders as a whole and the terms thereof are on normal commercial terms, which are fair and reasonable.

V. INFORMATION OF THE PARTIES

Shanghai Juque is a wholly-owned subsidiary of the Company and is an investment holding company as at the date of this announcement.

The Wuhan Land Resources and Planning Bureau is a PRC Governmental Body and the seller of the Land. To the best of the Directors' knowledge, information and belief and having made all reasonable enquiries, the Wuhan Land Resources and Planning Bureau and its ultimate beneficial owners are third parties independent of the Group and its connected persons.

VI. FINANCIAL EFFECTS OF THE ACQUISITION OF THE COMPANY

As the Group will finance 100% of the Consideration using its existing internal resources, the non-current assets of the Group will be increased by approximately RMB162 million and the net cash position will be decreased by approximately RMB162 million accordingly. As such, the total assets and the total liabilities of the Group will not have any material change upon Acquisition. The Company considers that there will not be any material effect on the earnings of the Group immediately upon the Acquisition.

LETTER FROM THE BOARD

VII. LISTING RULES IMPLICATIONS

Since the applicable Percentage Ratios in respect of the Acquisition exceed 25% but are less than 100%, the Acquisition constitutes a major acquisition under Chapter 14 of the Listing Rules. The Acquisition is regarded as a qualified property acquisition under Rule 14.04(10C) of the Listing Rules as the Acquisition involves an acquisition of governmental land in the PRC from a PRC Governmental Body through an auction governed by PRC laws, which is undertaken by the Group on a sole basis in its ordinary and usual course of business. The Acquisition is subject to reporting and announcement requirements but is exempt from Shareholders' approval requirements pursuant to Rule 14.33A of the Listing Rules.

VIII. ADDITIONAL INFORMATION

The Directors believe that the terms of the Confirmation Letter and Land Use Rights Grant Contract and the transaction contemplated thereunder are fair and reasonable and are in the interest of the Company and the Shareholders as a whole. None of the Directors have any material interest in the Confirmation Letter or Land Use Rights Grant Contract.

Your attention is also drawn to the additional information set out in the appendices to this circular.

Yours faithfully,
For and on behalf of the Board of
Beijing Capital Juda Limited
Tang Jun
Chairman
